

Implementing Culture Change through Grassroots Safety Leadership September 25-28, 2023*

Acquire the tools you need to be a **CULTURE CHANGE CHAMPION**
Developed by Dr. Steven I. Simon, "The Father of Safety Culture"

From the originator of the Grassroots Safety Leadership™ methodology, this course covers the entire process of creating cultural change through employee involvement.

Participants will:

- Acquire a profound understanding of how culture and organizational systems affect safety performance
- Learn how organizations have achieved 50-80% decreases in accidents and maintained them through implementation of Grassroots Safety Leadership™
- Learn concrete, practical techniques to get and sustain grassroots involvement, ownership and leadership in safety
- Receive the Culture Change Toolkit® that includes 10 tools which can be immediately applied back into your workplace
- Learn how companies are improving their safety records through union/management cooperation for safety

Who Should Attend?

People who have a passionate interest in becoming "culture change champions" and are capable of guiding the implementation of culture-based safety within their organizations

More than 2500 people from all levels of the organization have attended the Implementing Culture Change course including: Vice Presidents of Operations, Plant Managers, Corporate Safety Directors, Safety Professionals, Front-Line Supervisors, Trainers, Hourly Workers, Union Leaders
